Dear [Visitor],

Your bookmarks may have to be updated.

Over the past 3 to 4 weeks there have been a few changes to the site I thought you should be aware of. The directory names in the web address of web postings in our knowledge base have been shortened.

For all postings:

AAC_AnswerDirectory ***has been changed to*** _WebPostings
Answers_to_Questions ***has been changed to*** Answers
and the the directory names have been consolidated to 10 names:

2000_08AUG
2000_11NOV
2002_10OCT-DEC
2003_11NOV-DEC
2005_04APR
2005_05MAY-OCT
2006_04APR
2006_09SEPT-APR2007
2007_11NOV
2008_04APR

Example:

What used to be:

http://www.AskACatholic.com/AAC_AnswerDirectory/Answers_to_Questions/2006_09SeptemberQuestions/2006SeptemberMyDocIsSeekingToSolveInfertilityProblemsBut.

cfm

is now:

http://www.askacatholic.com/_WebPostings/Answers/2006_09SEPT-APR2007/2006SeptMyDocIsSeekingToSolveInfertilityProblems.cfm

Frequent visitors to our site, may be using some of our web posting for bookmarks in order to
answer and/or address issues in faith-sharing discussions with other Protestants.

The goal behind this change was to make it a little more easy to e-mail a bookmarked AskACatholic Answer to a Protestant who is struggling with a teaching of our faith.

If you don't know what the current location of a previous posting is, you can use our search engine to search for it using keywords here:
